

## DIRECTOR OF TRANSPORTATION

The Humboldt Unified School District #22 in Prescott Valley, Arizona, is seeking a Director of Transportation. The District presently serves 6,100 students, transports 4,000 students, and has grown 8 % annually for the past three years. The 12 month position will be available starting on July 1<sup>st</sup>, 2006, and will have an entry wage of \$49,500.

The Director of Transportation is responsible for planning, implementing, overseeing, and evaluating the effectiveness of the District's transportation system. The Director is responsible for recruiting, training, supporting, and evaluating drivers and other transportation personnel. Other oversight responsibilities include equipment maintenance, payroll, inventory, procurement, reporting, and the use of the GECKO transportation routing software package.

Interested individuals should contact Phil Young, Director of Human Resources, at (928) 759-4000.
